Manufacturer's Certification Statement

Ideal Window Mfg, located at 100 West 7th Street, Bayonne, NJ 07002 provides this Manufacturer's Certification Statement so that you, the homeowner, can verify that certain Ideal windows and doors are eligible for the energy tax credits allowed by Section 25C of the Internal Revenue Code. The Inflation Reduction Act of 2022 extended the credit through December 31, 2022.

To qualify for the extension of the Tax Credit, exterior windows and doors must be ENERGY STAR qualified, and must be purchased and installed from January 1, 2022, through December 31, 2022. It allows for a credit of 10% of the cost of a qualified energy-efficient improvement, up to \$200 for windows, not including installation.
